**‘DINE WITH THE DOLPHINS’ THIS VALENTINE’S DAY AT MIAMI SEAQUARIUM
--Unique Miami Seaquarium promotion offers sweethearts dinner and dolphins—**

MIAMI, FL – Ever wonder how to make Valentine’s Day truly memorable? From 8pm to 10pm, Thursday, February 14, 2008, ‘Dine with the Dolphins’ at the new Dolphin Harbor at Miami Seaquarium, offers couples a unique Valentine’s Day alternative. As part of a special Valentine’s Day promotion, couples may enjoy a delicious candlelight dinner for two under the stars, overlooking the dolphins at Dolphin Harbor. In addition, the promotion includes two Dolphin Odyssey gift certificates that couples have up until one year to enjoy and one day’s admission to the park.

“Dine with the Dolphins” may be purchased for \$395 plus tax per couple. Availability is limited and advance reservations are required. For more information or to purchase your ‘Dine with the Dolphins’, please call 305-365-2501 or visit www.miamiseaquarium.com.

Dolphin Odyssey is a two-hour experience, which includes feeding, touching and learning about these magnificent animals plus the opportunity for a deep-water interaction with a dolphin.

The dinner and swim will take place at Dolphin Harbor, the newest attraction at Miami Seaquarium and home to ten Atlantic Bottlenose Dolphins.

Miami Seaquarium, South Florida's most popular tourist attraction, is a family-oriented marine-life park open to the public 365 days a year. The park provides visitors with a greater understanding and appreciation for marine life through shows, presentations and exhibits. More information on Miami Seaquarium is available at www.miamiseaquarium.com. For more information regarding schedules or to register for either program, please call (305) 361-5705 ext. 207. Programs fees include one day's admission to the park.

Miami Seaquarium is an accredited member of the Alliance of Marine Mammal Parks and Aquariums, an international organization committed to the care and conservation of marine mammals. Accreditation by the Alliance means this facility meets or exceeds all the standards of excellence for marine mammal care, husbandry, conservation and education.
