1:30 PM

### ***Flipper Clowns Around with Ringling Bros. Star for a Hair Raising Adventure***

**WHAT:** Bello -- the star of this year's *Ringling Bros. and Barnum & Bailey*<sup>®</sup> circus, famed daredevil clown, and former Miami Seaquarium employee -- will work with trainers and dolphins at the Seaquarium. Join in *Bellobration* fun as they share trade secrets, including how to make hair stand 12 inches tall!

**WHEN:** Thursday, January 10, 2008 @ 1:30 pm

**WHERE:** Miami Seaquarium, Dolphin Harbor  
4400 Rickenbacker Causeway

#### **ADDITIONAL INFORMATION:**

##### About Ringling Bros. and Barnum & Bailey:

*Ringling Bros. and Barnum & Bailey*<sup>®</sup> presents Bellobration<sup>SM</sup>, a high-energy circus extravaganza featuring the mischievous, yet endearing, comic daredevil Bello, whose iconic tall orange hair, hilarious antics and fearless approach to daredevilry have prompted his meteoric rise in popularity. Bello performs alongside exotic animals including majestic and agile Asian elephants, Royal Bengal and white tigers, as well as an international cast of gravity-defying acrobats, all in an electrifying story line guaranteed to captivate *Children Of All Ages*. Circus-goers will witness jaw-dropping stunts, high wire high jinx, adrenaline-pounding trapeze, and more. Throughout Bellobration, audiences will witness performers, human and animal, joining forces and taking their skills to the limit of possibility. One step into the arena and spectators will encounter a visually dazzling display that instantly transports them into a magical world of lights, colors and pulsating music. Audience participation is the final ingredient that fuels the interactive and energetic atmosphere making Bellobration the must attend event for families across America.

##### About Miami Seaquarium:

Dedicated to providing quality entertainment for visitors of all ages, Miami Seaquarium<sup>®</sup> boasts exciting displays of animals' natural abilities and a variety of on-and-off site interactive programming focused on marine life. Through our exhibits and educational programs for children and adults, we aim to cultivate an appreciation for the delicate ocean environment and a concern for conservation.
