DAN UGLA SWIMS WITH THE DOLPHINS AT MIAMI SEAQUARIUM TO RAISE FUNDS FOR FOSTER CHILDREN

MIAMI, FL – August 29, 2007 – Miami Seaquarium continues its ongoing dedication to our community by donating *Swim with the Dolphins* to the Florida Marlins Wives Auction for the benefit of foster children from The SOS Children's Village. Dan Ugla along with two auction winners jumped in a wet suit this past August 29th and caused a splash swimming with the dolphins at the all new Dolphin Harbor in Miami Seaquarium. The proceeds from the auction will benefit The SOS Children's Village, a non-profit alternative foster care facility that makes it possible for abused, abandoned and severely neglected children to experience the meaning of home and family. Their mission is to provide homes, nurturing parents, a supportive neighborhood and the special resources necessary for children in foster care, thereby empowering them to become contributing members of society.

Miami Seaquarium, South Florida's most popular tourist attraction, is a family-oriented marine-life park open to the public 365 days a year. The park provides visitors with a greater understanding and appreciation for marine life through shows, presentations and marine-life exhibits. More information on Miami Seaquarium is available at www.miamiseaquarium.com.

Miami Seaquarium is an accredited member of the Alliance of Marine Mammal Parks and Aquariums, an international organization committed to the care and conservation of marine mammals. Accreditation by the Alliance means this facility meets or exceeds all the standards of excellence for marine mammal care, husbandry, conservation and education.
