

## **Spring Camp 2010 Wild Life Explorers March 29- April 2**

This Spring we are going to take a walk on the wild side! Our campers will be learning about an exciting group of animals each day at this year's spring camp. These are the topics for this year's spring camp:

### **Interesting Invertebrates**

Campers will learn just how diverse this group of animals is as they learn about the world of mollusks, crustaceans, echinoderms, and insects.

### **Fantastic Fish**

What are the characteristics that all fish share? What are the differences between fish and sharks? How are fish able to adapt to their aquatic environment? Today campers will discover the answers to all of these questions!

### **Radical Reptiles**

Why is a lizard a lizard or a snake a snake? Aren't they the same? Today campers will learn about what characteristics reptiles share, and how scientists further classify these animals into smaller groups.

### **Beautiful Birds**

Today campers will learn about adaptations birds have to help them take advantage of their habitats. Campers will also learn about the common characteristics that birds share.

### **Magnificent Mammals**

Why are dolphins considered mammals when they don't have hair, or do they? Today campers will learn about common mammalian characteristics. They will also learn about feeding strategies and unique social behaviors that help in their survival.

- ❖ Camp Includes: a t-shirt, one Kodak photo, lunch, snack, beverages and tons marine science fun. Each day will consist of: one animal show, one to two animal interactions, arts-n-crafts, interactive games and so much more!
- ❖ Hours are 9:30-4:30pm. Early care (8:30-9:30am) and late care (4:30-5:30pm) is provided for an additional fee of \$25 each. If both are needed the fee is \$45.
- ❖ The cost for camp is \$200 per week for non-members and \$180 for annual pass members. Each additional sibling is \$180.
- ❖ For more information or to register, call 305-361-5705 x207. Fax: 305-365-0075. Mail: Miami Seaquarium, Education Department, 4400 Rickenbacker Causeway, Miami, FL 33149. E-mail: [education@msq.cc](mailto:education@msq.cc)
