SEA TREK REEF ENCOUNTER, AN ALL NEW ATTRACTION AT MIAMI SEAQUARIUM

New Underwater Helmet Diving Experience at Miami Seaquarium brings park guests up close to Reef Aquarium Residents

MIAMI, FL – Feels like walking on the moon, only you are submerged in a surreal underwater paradise where colorful tropical fish, large groupers, cobia, lobsters and moray eels abound. Now open at Miami Seaquarium, the Sea Trek Reef Encounter is a helmet diving experience that allows guests to become one with the park’s reef aquarium, while moving in ethereal slow motion in a near zero gravity diving system. Sea Trekking, developed by Sub Sea Systems, Inc. can be experienced by non-divers, ages 10 and above – no certification or swimming skills are necessary. In the magnificent Reef Aquarium at Miami Seaquarium participants may Sea Trek as deep as 15 feet under the sea.

“An experience once only reserved for the scuba diver, the Sea Trek Reef Encounter will allow our guests to get up close with the vast assortment of tropical fish and Marine Life species in the park’s 300,000 gallon Reef Aquarium,” commented Andrew Hertz, General Manager at Miami Seaquarium. “This is a one-of-a-kind experience here in South Florida. If you can walk and breathe then you can Sea Trek.”

The Sea Trek Helmet Diving System is controlled by a compressor system that takes in air, compresses it, sends it through a series of filtration components and on to a control console and manifold to regulate the air flow to participants. Unlike deep sea diving, the participant’s entire head stays dry throughout the entire experience.

The Sea Trek Reef Encounter at Miami Seaquarium is approximately 20 minutes underwater and will cost $99 plus tax per participant. The program fee includes same day admission to the park. Discounts for the Sea Trek are available to participants in the park’s dolphin interaction programs. For more information please call (305) 361-5705 ext. 225. Miami Seaquarium is located at 4400 Rickenbacker Causeway, Miami, FL.

Miami Seaquarium, South Florida's most popular tourist attraction, is a family-oriented marine-life park open to the public 365 days a year. The park provides visitors with a greater understanding and appreciation for marine life through shows, presentations and marine-life exhibits.
