MIAMI SEAQUARIUM ‘SPLASHTACULAR SUMMER’ OFFERS SAVINGS, COOL WATER SLIDES AND SUPER-SOAKING FUN FOR ONE MORE MONTH

HOT DAYS BRING COOL SAVINGS THIS SUMMER

MIAMI – August 1, 2016 –Miami Seaquarium offers fun and cool summer alternatives to beat the heat with its *Splashtacular Summer* celebration. Now through August 21st, children will be able to enjoy inflatable water slides and bounce houses; water cannons and super-soaking water blasters at “Salty’s Pirate Playground”; “Play and Spray” misting stations, and, of course, cool, splashing water during some of the marine mammal shows.

Also, the *coolest* and latest addition to the park is the new “Penguin Isle” exhibit. The new penguin habitat, which features an 800-square-foot rocky, dry area and adjoining 9,000 gallon pool, is home to ten endangered African penguins. Guests are able to come face to face with the penguins, viewing them both above and below the water through large acrylic windows and an acrylic underwater swimming tunnel.

Another way to cool off this summer is getting in the water during a unique animal encounter at Miami Seaquarium. Whether swimming deep beneath the surface or leaping high above the water, the sealife of Miami Seaquarium will delight and astound. The park’s animal encounter programs bring guests up close and personal to sea residents featuring dolphin interaction programs at Dolphin Harbor, Seal Swim and the Sea Trek Reef Encounter.

In addition, the Summer Savings Pass is back! At \$56 plus tax, per adult and \$46 plus tax, per child (ages 3-12), this pass grants unlimited admission through September 30, 2016 at four attractions that include Lion Country Safari, Miami Seaquarium, Museum of Discovery and Science and Zoo Miami.

For additional information on the parks' summer discount offers, visit online at www.miamiseaquarium.com/Splashtacular.

Miami Seaquarium, South Florida's most popular tourist attraction, is a family-oriented marine-life park open to the public 365 days a year. The park provides visitors with a greater understanding and appreciation for marine life through shows, presentations and marine-life exhibits. More information on Miami Seaquarium is available at www.miamiseaquarium.com.
